Summer 2010

Greetings Crafters,

Another year has come and gone, and once again it's time for us to spend some quality time together at the annual **Wolcott Country Fair!** We are continuing to work on getting our "new fairgrounds" area ready for the future and we're making progress at the site. We are leveling the land and cutting a new entry road specifically for vendors. We appreciate your patience as we strive to create a "first class" fairground!

The 2010 Wolcott Country Fair will be held at the Frisbie Fairgrounds located behind Frisbie School once again. Our set-up and design plan will be a bit different so that we can generate some excitement with a new look.

Please mark your calendars! This year's fair will be held **August 20th, 21st & 22nd**. I hope that you will join us. On the following pages, you will find all of the information that you need regarding this year's fair.

This year's Juried Crafters tent will have limited space, so please use our new Online Form and send your application in as early as possible.

If you should have any questions, I can be contacted at home at 203-879-4166 or via email at khubina@snet.net. I hope to see you at this year's Wolcott Country Fair!

Sincerely,

Ken Hubina
Chairman, Juried Crafters

IMPORTANT NOTE:

Our definition of a “Juried Crafter” is someone who *purchases or manufactures components and the builds/constructs/assembles these components into a finished product*. If you are purchasing a finished product for resale, then you are not a “Juried Crafter” and you should instead be applying as a “Commercial Vendor”.

Your product(s) will be examined and verified that they were created/made by you. If you bring commercially made products to resell, you will be moved to a commercial space and must pay the difference in price for the available space. If no commercial space is available, you will not be allowed to sell product on the fairgrounds. Your application will be approved or disapproved at the discretion of the Fair Chairman.
