Spring 2024

Greetings Crafters,

The Wolcott Lions Agricultural Society and the Wolcott Lions cordially invite you to be a part of the 44th annual **Wolcott Country Fair**. Our fairgrounds are located at 245 Wolcott Rd (RT 69) in Wolcott. This is at the intersection of Nichols Rd and Wolcott Rd.

It took 12 years of dedication and hard work for the Wolcott Lions to bring the fair to its new home. In 2012, we held our first fair on the new grounds, which provides a unique experience for our attendees. Our beautiful fairgrounds offer a blend of open space, wooded areas and a beautiful pond. We have constructed numerous buildings that will be used as venues for many of the fair's activities. We're pleased with the outcome and hope you'll decide to be with us this coming **August 9th, 10th & 11th**.

On the following pages, you will find all the information that you need regarding this year's fair. Please note that most Crafters will be inside one of our buildings while space is available, as well as spaces outside in your own 10' x 10' pop-up tents.

I encourage you to use our Online Form and send your application in for review as early as possible. If you should have any questions, I can be contacted at home at 203-879-4166 or via email at **crafters@wolcottfair.com**. I hope to see you at this year's Wolcott Country Fair!

Sincerely,

Ken Hubina
Chairman, Crafters

Friday	August 9	4PM – 11PM
Saturday	August 10	10AM – 11PM
Sunday	August 11	10AM – 7PM

Space Rental Fees

Location	Frontage	Depth	Cost
Inside	10 Feet	10 Feet	\$75

While space is available, additional spaces are available at the same price outside.

Setup

Event	Day	Date	Time
Setup	Thursday	August 8	After 12 Noon
Setup	Friday	August 9	Before 1PM

IMPORTANT NOTE:

Our definition of a “Crafter” is someone who *purchases or manufactures components and then builds/constructs/assembles these components into a finished product (50% hand made)*. If you are purchasing a finished product for resale, then you are not a “Crafter” and you should instead be applying as a “Commercial Vendor”.

Your product(s) will be examined and verified that they were created/made by you. If you bring commercially made products to resell, you will be moved to a commercial space and must pay the difference in price for the available space. If no commercial space is available, you will not be allowed to sell product on the fairgrounds. Your application will be approved or disapproved at the discretion of the Fair Chairman.
